Health and Safety

The school has written processes in place to enable it to comply with the requirements of the *Work Health and Safety Act 2011* (Qld) and the *Working with Children (Risk Management and Screening) Act 2000* (Qld).

Responding to Reports of Harm

When the school receives any information alleging 'harm'¹ to a student (other than harm arising from physical or sexual abuse) it will deal with the situation compassionately and fairly to minimise any likely harm to the extent it reasonably can. This is set out in the school’s *Child Risk Management Strategy*. Information relating to physical or sexual abuse is handled under obligations to report set out in this policy².

Conduct of Staff and Students

All staff, contractors and volunteers must ensure that their behaviour towards and relationships with students reflect proper standards of care for students. Staff, contractors, and volunteers must not cause harm to students³.

Reporting Inappropriate Behaviour

If a student considers the behaviour of a staff member to be inappropriate, the student should report the behaviour to one of the following: -

- Tony Andrews (Principal)
- Jason Kupke (Head of Campus Deception Bay)
- Luke O’Sullivan (Head of Campus Caloundra)
- Kelly Chambers (Lead Teacher Deception Bay)
- Nigel Riseley (Lead Teacher Caloundra)⁴

¹ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(7)*: the definition of 'harm' for this regulation is the same as in section 9 of the *Child Protection Act 1999 (Qld)*

² *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(1)*

³ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(1)*

Dealing with Report of Inappropriate Behaviour

A staff member who receives a report of inappropriate behaviour must report it to the Principal. Where the Principal is the subject of the report of inappropriate behaviour, the staff member must inform a member of the school's governing body⁵. Reports will be dealt with under the school's Complaints Handling Policy.

Reporting Sexual Abuse⁶

Section 366 of the *Education (General Provisions) Act 2006* states that if a staff member becomes aware, or reasonably suspects, in the course of their employment at the school, that any of the following has been sexually abused by another person:

- a) a student under 18 years attending the school;
- b) a person with a disability who: -
 - i. under section 420(2) of the *Education (General Provisions) Act 2006* is being provided with special education at the school; and
 - ii. is not enrolled in the preparatory year at the school.

then the staff member must give a written report about the abuse or suspected abuse to the Principal or to a Director of the school's governing body immediately.

The school's Principal or the Director must immediately give a copy of the report to a police officer.

If the first person who becomes aware, or reasonably suspects, sexual abuse is the school's Principal, the Principal must give a written report about the abuse, or suspected abuse to a police officer immediately and must also give a copy of the report to a Director of the school's governing body immediately.

A report under this section must include the following particulars: -

- a) the name of the person giving the report (the **first person**);
- b) the student's name and sex;
- c) details of the basis for the first person becoming aware, or reasonably suspecting, that the student has been sexually abused by another person;
- d) details of the abuse or suspected abuse;

 - i. the student's age;
 - ii. the identity of the person who has abused, or is suspected to have abused, the student;
 - iii. the identity of anyone else who may have information about the abuse or suspected abuse⁷.

Reporting Likely Sexual Abuse⁸

Section 366A of the *Education (General Provisions) Act 2006* states that if a staff member reasonably suspects in the course of their employment at the school, that any of the following is likely to be sexually abused by another person: -

- a) a student under 18 years attending the school;
- b) a kindergarten aged child registered in a kindergarten learning program at the school;
- c) a person with a disability who: -
 - i. under section 420(2) of the *Education (General Provisions) Act 2006* is being provided with special education at the school; and
 - ii. is not enrolled in the preparatory year at the school.

⁵ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(2)*

⁶ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(2)(c)*

⁷ *Education (General Provisions) Regulation 2017 (Qld) s.68*

⁸ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(2)(c)*

then the staff member must give a written report about the suspicion to the Principal or to a Director of the school's governing body immediately.

The school's Principal or the Director must immediately give a copy of the report to a police officer.

If the first person who reasonably suspects likely sexual abuse is the school's Principal, the Principal must give a written report about the suspicion to a police officer immediately and must also give a copy of the report to a Director of the school's governing body immediately.

A report under this section must include the following particulars: -

- a) the name of the person giving the report (the **first person**);
- b) the student's name and sex;

Reporting Physical and Sexual Abuse ¹⁰

Under Section 13E (3) of the *Child Protection Act 1999*, if a doctor, a registered nurse, a teacher or an early childhood education and care professional forms a 'reportable suspicion' about a child "in the course of their engagement in their profession", they must make a written report.

A **reportable suspicion** about a child is a reasonable suspicion that the child: -

- a) has suffered, is suffering, or is at unacceptable risk of suffering, significant harm caused by physical or sexual abuse; and
- b) may not have a parent able and willing to protect the child from the harm.

The doctor, nurse, teacher or early childhood education and care professional must give a written report to the Chief Executive of the Department of Children, Youth Justice and Multicultural Affairs (or another department administering the *Child Protection Act 1999*). The doctor, nurse, teacher or early childhood education and care professional should give a copy of the report to the Principal.

A report under this section must include the following particulars: -

- a) the child's name and sex;
- b) the child's age;
- c) details of how to contact the child;
- d) details of the harm to which the reportable suspicion relates;
- e) particulars of the identity of the person suspected of causing the child to have suffered, suffer, or be at risk of suffering, the harm to which the reportable suspicion relates;
- f) particulars of the identity of any other person who may be able to give information about the harm to which the reportable suspicion relates. ¹¹.
